
2014-2034 LAKE NIPISSING FISHERIES MANAGEMENT PLAN
Public and Stakeholder Input

Walleye

1) How satisfied are you with the walleye fishery on Lake Nipissing?

2) What do you think our objectives for walleye should be in the new plan? That is, what do you want the walleye population to look like in 20 years?

3) What are your feelings on the current regulation?

4) Do you think we need to change the current regulation? If so, why and how?

Please provide your comments by AUGUST 19th, 2013 to:
Scott Kaufman, Nipissing Area Large Lake Biologist, MNR North Bay, 3301 Trout Lake Road, North Bay, ON, P1A 4L7

OR Email your comments to: LakeNipManPlan@ontario.ca

2014-2034 LAKE NIPISSING FISHERIES MANAGEMENT PLAN
Public and Stakeholder Input
